

County of Fairfax, Virginia

Fairfax County Bicycle Master Plan

March 2014

Bicycle Master Plan

**Presentation to the
Board of Supervisors
Transportation Committee
May 6, 2014**

**Charlie Strunk
Bicycle Program Coordinator**

The Master Plan is a planning initiative of the Fairfax County Department of Transportation And Department of Planning and Zoning.

The purpose... provide policies, programs, and physical facility recommendations that support the Comprehensive Plan

Serves as a guide for county leadership, planning and engineering Practitioners, bicycle advocates, and citizens

The Bicycle Master Plan will be an integral part of the County's Comprehensive Plan

What is in the Plan?

Introduction/Overview
