To Whom it May Concern:

Sadaf Khan has been a Child Care Provider in the Early Head Start program for many years now. Sadaf's strong work ethic, structure and professionalism has impressed me greatly. I know Sadaf to be a very diligent Child Care Provider. She possesses excellent communication skills and she successfully uses them in her everyday interaction with the children as well as their parents.

In the Early Head Start program, Sadaf services children within a mixed age group. I appreciate her ability to consistently meet the needs of the children while remaining structured and organized. She also routinely follows all Early Head Start and State Licensing requirements and the parents enrolled feel as though their children are in a safe and loving environment.

Sadaf is loving, kind, warm and energetic. I believe she has the space to service many more children in the Early Head Start program whom need a second chance. We treasure Sadaf deeply and value her contributions to our families.

Sincerely,

Tabitha Evans
