**To the Fairfax County Board of Supervisors Regarding Adoption of an Emergency  
Uncodified Ordinance to Extend the Validity of Certain Development Approvals to Assure  
Continuity in Fairfax County Government During the Novel Coronavirus Disease 2019  
(COVID-19) Emergency**

The consensus of the board of the Sully District Council of Citizens Associations is that the Emergency Uncodified Ordinance to Extend the Validity of Certain Development Approvals should not be enacted at this time.

We ask that the board defer for the foreseeable future the consideration of land use matters, whether they be the approval of rezonings, plan amendments, ordinance enactments, etc., until the citizens of our county can participate in open and public hearings.
