On 18 May 2020, the Joint Sully District Land Use and Transportation Committee (JSDLU&TC) heard several presentations. This summarizes the position taken on the updated Dulles Airport noise contour lines submitted to the county by the Metropolitan Washington Airports Authority (MWAA).

Via a letter dated 18 April 2019 MWAA informed Fairfax County of the updated Dulles Airport noise contour lines. That year the Fairfax County Planning Commission reviewed the MWAA noise contour lines and recommended that the Fairfax County Comprehensive Plan be amended to include the revised contours.

Both the Sully District Council of Citizens Associations and the Western Fairfax County Citizens Association urge the Fairfax County Board of Supervisors (BOS) to immediately amend the Fairfax County Comprehensive Plan to reflect the updated Dulles Airport noise contour lines that were communicated in the 18 April 2019 MWAA letter.
